Situated between Colchester and Clacton-on-Sea, on the estuary of the River Colne, Brightlingsea is fast becoming a major boating centre, with the majority of boating businesses clustered around the natural harbour, on the aptly named Shipyard Estate.

An ancient maritime town, with so much to offer the modern boating enthusiast.

This event is helping to raise funds for the local RNLI

The RNLI is a charity that provides a 24-hour lifesaving service around the UK and Republic of Ireland. The lifeboat service in the UK receives no government funding. As a charity, the RNLI relies on your support to carry on saving lives at sea.

Come and join in the fun. Ample off-site parking.
